RE: Pumpkin Patch Grant Funds

The Christ Episcopal Church Pumpkin Patch has some money to distribute to local non-profits. Organizations wishing to receive funds must request a grant.

The request should name your organization and its overall mission. It should specify the amount of money requested and how the funds will be used.

We ask that grant requests be submitted by December 3, 2018

Written requests should be sent to

ATTN: Pumpkin Patch Outreach
Christ Episcopal Church
PO Box 1246
New Bern NC 28560

All of Christ Church Pumpkin Patch funds benefit local charitable organization. We hope that you will apply for some of these funds this year.

We also hope you will patronize the patch for your fall décor needs. Next year, we are planning for the pumpkins to arrive Saturday, October 5.

In appreciation for all that you do,

Christ Episcopal Church Outreach
