

Sunday School  
March 22, 2020  
Gospel John 9:1-41

Activity:

Grab a bag, a pillowcase works great. Each person should take the bag and put 3-4 things inside. Meet back up and let everyone have a chance to guess an object. They should close their eyes when they guess. Repeat until there's no more objects in the bag.

Read the Gospel for today. It's [John 9:1-41](#).

Questions:

What happened in the Gospel?

What do you think the man born blind felt like when he was growing up?

What do you think he felt when he was healed?

Think about the activity at the beginning, was it hard?

Would it have been easier if you could see and everyone else had to close their eyes and guess?

If you knew someone was getting their eyesight back, what would you show them?

Do you think God heals people now that were born blind?
