

## Camp Hope (Virtual) 2020 Wrap Up

Hi Campers!

I want to give special thanks to Mrs. Nell and Mr. Steve for all their work in planning and developing this Virtual Camp. Let's give them a big round of applause!!!!

It was wonderful being with you this week! We love your creativity and sense of wonder. We love hearing your thoughts and opinions on important things in our lives.

Our daily focus on Trust, Hope, Love, Unity and Justice reminds us of Camp and of the purpose God has for each of us. We learn to trust our families, our friends, our volunteers and counselors and most of all God who is always with us and ready to listen to our deepest fears and joys. It gives us hope for the future knowing that through our faith we move along our journey of life. We know God's plan for us is good because he made each of us in His image so we are good-very good! God's love for us is more than we can even imagine, and it is never ending! He provides families and friends and communities for us to live with and love. Remember those most important commandments-Love God and Love your neighbor! This Unity will help us along our path. There will be hills and valleys, but we will persevere and reach the goal God has set for each of us uniquely. Our last day focus was Justice and in a way this incorporates all the days. If we love one another and respect one another we can change this world and there will be justice for all! Remember Micah 6:8 **the LORD has told you what is good, and this is what he requires of you: to do what is right, to show love and mercy, and to walk humbly with your God. Let's all try to do that each and every day!**

Please feel free anytime throughout the year to contact us with the contacts you have used this week. We love hearing from you! Keep watching Facebook and Instagram and we will stay in touch too! We hope to see you in 2021 IN PERSON!!! We love each of you!!!

Let's sing together!

Friends, We will remember you

Pray for you and think of you.

And when another day is through,

We'll still be friends with you!

By John Denver

Butterflies cannot  
see their wings. But the rest  
of the world can.

-You. You are beautiful and  
while you may not see it, we can.
