

Tuesday!

It's Tuesday and our word today is...(drum roll, please)...**HOPE**

Tuesday's Devotion

Jeremiah 1: 5-8

“Before I formed you in the womb I knew you, before you were born I set you apart, I appointed you as a prophet to the nations. Alas, sovereign Lord, I said, “I am too young”. You must go to everyone I send you to and say whatever I command you. Do not be afraid of them, for I am with you and will rescue you, declares the Lord.

Jeremiah 29:10-11

“This is what the Lord says: “When seventy years are completed for Babylon, I will come to you and fulfill my good promise to bring you back to this place. For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”

Hope may be best described as “wishing with a purpose”. This world is not always easy and being a believer in Christ Jesus certainly does not mean that everything automatically goes your way. At Camp, we hope that the week we spend together will bring peace, that we will make new friends, and that we will share new experiences that will make us more confident, well-rounded people.

In the scriptures God told Jeremiah that “I knew you even before you were born, and I had a plan for you” and even though Jeremiah did not think that he was old enough to do what God was commanding him to do, God reassured him and gave Jeremiah hope by saying that He was with him always. God does something similar for the Jewish people in Babylon by telling them that even though they had been taken from their homeland and faced adversity in this foreign place that He was still with them and that He had a plan for them.

Know this, God knew you before you were even born, He has a plan for your life, and He is always with you to help you carry out His will.

Devotion Reflection Questions

1. What is one thing that you hope for?
2. What does it mean to you to know that God knew you before you were even born and that He has a plan for you?
3. Our God is intentional, that means he does things for a purpose even things we think are bad. Have you ever experienced something that you thought was bad, but it turned out to help you or someone else?
4. How does it make you feel to know that God also hopes, He hopes that you will accept him and that you can one day fellowship together?

****Before doing the activities or service projects, please check with your adult to make sure it is okay.****
